**Duration of Permits.**

- (a) Permits issued for placement on streets and/or public grounds shall be limited in duration to five (5) business days.
- (b) Permits issued for placement on private property shall be limited in duration to ninety (90) days.
- (c) The duration of Permits may be extended for good cause shown at the discretion of the Building Code Official or a designated representative up to a maximum of ninety (90) total days for placement on streets and/or public grounds and one hundred and eighty (180) total days for placement on private property within each twelve month period measured from the issuance of the first Permit.

**General restrictions and requirements.**

- (a) No dumpster or PSC shall be transported, emptied or serviced between the hours of 9:00 P.M. and 7:00 A.M. on any day, nor shall any mechanical, hydraulic or electrical loader, compactor, packer or conveyor be utilized during such hours.
- (b) No dumpster shall be filled beyond the top of such dumpster. Dumpsters shall be emptied as soon as practical when full.
- (c) No dumpster shall be filled by means of a chute, conveyor, belt, or other device, located in, above, on or across a street, or by dropping or throwing items in, above, on or across a street, unless the Permit authorizing placement of such dumpster specifically authorizes such method.
- (d) When not in use, all dumpsters shall be covered with a tarpaulin or otherwise secured, as approved by the Building Code Official or a designated representative, to prevent debris from blowing out of the container. Trash shall be secured to ensure it is properly contained.
- (e) Only one dumpster or PSC may be placed on any property at one time unless the Building Code Official shall determine there is good cause for permitting more than one at a time.
- (f) All dumpsters and PSCs shall be in a condition free from rust, peeling paint and other forms of deterioration.
- (g) The dumpster and/or PSC must not contain any excessive advertising beyond the identification of the company name and phone number of the company which placed the container on the property.
- (h) The use of a PSC shall not be for the storage of any commercial or business related items. The use of a PSC must be for temporary relocation of items from or for the premises the permit indicates only. No household items from any locations other than the premises indicated on the permit (the premises on which the PSC is located) can be stored in the PSC. A PSC is not a shed and shall not be used as a shed.
- (i) Hazardous materials including flammable and biohazard substances shall not be stored in any PSC.
- (j) No trash or debris shall be stored in any PSC.
- (k) No dumpster or PSC shall exceed 40 cubic yards in area.
